

## **BODYSHOP ESTIMATOR / VEHICLE DAMAGE ASSESSOR**

### **Come and work with an Award-Winning Multi-manufacturer approved Bodyshop...**

Based in Croydon in Surrey (with extensive travel links) we were Bodyshop of the year for the UK in 2018. This is an exciting opportunity to come and join the Fleetline family and have a career with a forward-thinking, fast growing company. We would like the following experience

- At least three years VDA experience
- Good working knowledge of Audatex
- ATA accreditation and knowledge of Autoflow a bonus, but not essential
- Produce accurate repair assessments for all makes of vehicles
- Ensure Work Provider SLAs are maximised and adhered to
- Raise job cards to ensure volume targets are met and order Parts to adhere to deadlines
- Repair method research
- Good communication with Workshop, Customers, Insurance Companies, Work Providers and Colleagues essential
- Work to maximise efficiencies and profit for our valued Team
- Ability to prioritise work-loads and ensure Team work to deadlines to ensure targets are met
- Manage average repair costs "Repair over replace"
- Attend production meetings to ensure work completion targets are met and repairs are maximised
- Permanent position
- Holidays: 28 days per year, to include public holidays

**Salary £30-£40k based on experience**

This is an excellent opportunity to really further your career in the Motor Industry
